

## COMPANIES AUTHORIZED TO ACT AS REFERRAL PARTNERS (AGENTS)

Hewlett-Packard is the contract holder for the WSCA contract. Purchase Orders are to be made out to HP. At the Customer's option, orders may include the name and dealer ID of a Referral Partner listed below, or to any Referral Partner. The Referral Partner may then receive an agent fee from HP. HP still ships the product directly to the Customer, and the Customer pays HP directly. Naming the Referral Partner in the body of the purchase order as the participating Referral Partner does not affect the transaction between the Customer and HP nor does it affect the price between HP and Customer. The Customer is not required to work with a Referral Partner if they choose not to.
